

sea gull lighting.

MANUFACTURERS OF DISTINCTIVE LIGHTING SINCE 1919

Sea Gull Lighting Warranty of the Manufacturer's Product

"Limited One Year Warranty". *Sea Gull Lighting* fixtures and components, when properly installed and under normal conditions of use, are warranted to be free from defects in materials and workmanship for one year from date of sale.

Sea Gull Lighting at its sole option will repair or replace, F.O.B. Factory, freight prepaid, any *Sea Gull Lighting* product defective in materials or workmanship. Such replacement is the exclusive remedy against *Sea Gull Lighting* should any products delivered prove defective. Invoices for labor charges and/or charge backs for labor will be denied unless prior written approval is given.

Appearance of Solid Brass Fixtures: When Solid Brass oxidizes, it darkens in color. *Sea Gull Lighting* Solid Brass fixtures are protected against this natural process by a clear protective coating. Dirt accumulation and other contaminants in the air accelerate the breakdown of this protective coating.

Any modification to a *Sea Gull Lighting* product not made at the factory will void the U.L. listing as well as the *Sea Gull Lighting* warranty policy.
